Subject: Acceptance of your Paper

Dear Authors,

On behalf of the Technical Committee of National Welding Seminar 2022, I am glad to inform you that your Paper entitled "**Defects prediction in additively manufactured components by artificial intelligence and machine learning**" is accepted for presentation. Your Paper has been assigned the No. **C127**

Please prepare the full text of your paper as per attached guidelines. The guidelines are provided to maintain uniformity in the Proceedings of the Seminar. Please do not deviate from the Guidelines as it may lead to non-inclusion of the paper in the Proceedings.

The last date for submission of the Full Text of your paper is 20.12.2022.

Thanking you and with warm regards

Dr. Hasan Shaikh

Convenor, NWS 2022
